

NATURE
BABY

BUGS

What's red with black spots
and keeps gardens healthy?

A LADY BEETLE!

**Lady beetles eat
other bugs that can
hurt plants.**

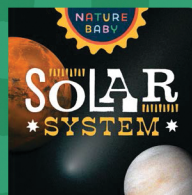

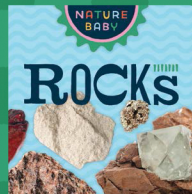

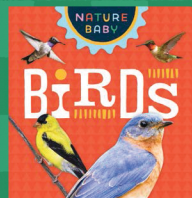

LOVING NATURE IS THE FIRST STEP

The great outdoors is for everyone, and children should connect with it from the start. Introduce your youngest booklovers to 10 backyard bugs in *Nature Baby: Bugs*. Read it aloud or put the sturdy book in small hands. Then let the fun begin!

Inside You'll Find

- Full-color photos of real bugs
- Concise yet informative text to interest young children
- Fun facts about 10 types of backyard bugs

Your budding naturalists will treasure the Nature Baby series!
